Why Choose Us?

***Nobody Beats
Our Price, Service,
and Selection!***

LOCATION, LOCATION, LOCATION:

By choosing a locally owned and operated business, you can rest assured that we will be here when you need us most for service.

NEW & LIKE NEW INSTRUMENTS:

All of our brass, woodwind and string instruments are quality name brands you can trust and meet tough quality guidelines set forth by manufacturers, our quality control technicians, and many music educators.

UPGRADE/EXCHANGE OPTIONS:

Your instrument may be exchanged at any time for an intermediate model or different instrument. In some cases, up to 24 months of credit may be applied toward the balance of the new instrument.

INSTRUMENT PURCHASE OPTION:

With our rent-to-own program, you may continue making monthly payments and apply the Base Rent paid towards the lease-purchase price at any time.

CANCEL AT ANY TIME:

Because this is a month-to-month rental program, there is no minimum term and you may return the instrument at any time without further obligation.

BIG CASH PURCHASE DISCOUNTS:

We offer cash discounts to our customers interested in purchasing any of our new or like-new instruments (even if renting). We will match or beat any competitor's advertised price.

LOSS/DAMAGE COVERAGE:

For a small monthly fee, your instrument can be covered against loss, theft or damage beyond repair through our M&R, or Maintenance and Replacement Program. Loaner instruments are provided to students (when available) while our certified service professionals tend to the instrument in need of service. It's peace of mind you can count on.

FAST AND EASY APPROVALS:

We say YES when others say NO! We offer a rental plan for just about any credit situation and are extremely flexible with the approval process. In most cases, our customers are approved in just minutes.

BACKED BY A NATIONWIDE PROVIDER:

Our business is a proud member of the Veritas Instrument Rental Affiliate Network, a nationally recognized school music resource offering quality options and value to parents, a commitment of service to our educators, and the tools our children need to play.
